Friday 12<sup>th</sup> March 2021

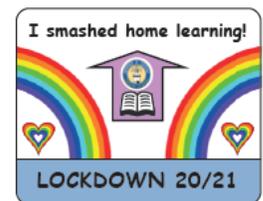

## All Back Together Again

What a lovely week it's been - welcoming everyone back into school and seeing the children back together again...

There have been lots of smiles and some tired faces around school this week but I can safely say that no matter how weary, everyone is glad to be back. In our assembly on Monday, it was wonderful to see classrooms full again and children full of excitement.

It's been a quiet week really - a nice settled time just to get everyone back into the swing of school life. For the next 3 weeks, children will have a flexible curriculum, with lots of time built in for wellbeing activities where needed. After Easter, things will be returning fully back to normal with exciting topics planned and CLASP sessions for the children in Key stage 2 taking place again.

Don't forget, if you would like to buy one of our special enamel badges for your child, they are £2 each. The badges can be put onto the child's school pennant. The pennants are given to children in Year 1 and throughout their time at school, they have the opportunity to collect badges for different achievements. If you have a Reception child and you would like them to have a badge, we can give your child their pennant early so it can be placed on with pride. When the badges arrive we will be having a special assembly in school to present them; so get your orders in through the office, email or facebook messenger.

Don't forget that next Friday is Red Nose Day - wear something red for £1 donation. We have a limited number of noses for sale in school too for £1.50.

### Returning your equipment from home

We have had complaints from a huge number of parents about a small number of adults congregating outside the small entrance gate of school.

We are working incredibly hard in school to keep everyone safe by keeping our distance, increasing hand hygiene and cleaning and now all staff wear masks in communal spaces. Please help us to combat the spread of this virus by keeping your distance. None of us want another lockdown and we absolutely don't want our children remote learning again so, I ask AGAIN, can you please NOT congregate outside of school against the fence - move along so that people can pass safely.

Thank you.

Mrs E Wright
