

Emerald -River Monsters

Choose your homework from the grid below:

You can choose as many tasks as you like. If you need a book or paper to record your work, just ask. You have the whole half term to choose and complete as much as you can.

Return on **Monday 19th October** for marking and a reward 😊

Write a description about a deadly river monster. Think about: what it looks like, how it moves, habitat, diet and the deadly traits it has.
Don't forget expanded noun phrases. Draw a picture too.

If you have been on a trip or out for the day. Write a recount of what you did and how enjoyable it was. (Did you walk along a river?)
Remember to use adverbials that show the passing of time.

Find out what freshwater animals are edible and prepare a set of instructions (recipe) of how to cook and prepare it for a tasty meal.
You could include a quotes from a friend saying how good it is.

Create a drawing/painting of a freshwater animal. It could be a river dolphin, a crab, piranha or an otter! We'll display it in class so take your time and colour carefully.

Find the world's ten longest rivers and put them in order from longest to shortest.
Use the internet to research.

Make a model of river.
You could use unwanted items from around the house.

Create a leaflet that advertises a river holiday. It could be cruising up the River Nile.
Use colour to attract your reader's attention.

Read a story and write why you would recommend it to a friend and give your personal point of view.
We'll display it in our reading area!

Create 10-15 challenging quiz questions about rivers.
Write the questions with correct answers separate.

Using a blank world map, draw and label where the world's longest rivers are.
Use mapping symbols if you can.

Create a word search with words associated with rivers.
e.g. delta, meander, tributary, flood bank.

Create a sculpture/model of a fossilised fresh water creature.
Use the internet to find out what materials you can use.
