

Would you rather live in Warrington or Malaga?

Topic Overview.

Get ready to travel (without leaving the classroom)! In this exciting topic, we'll be comparing life in the UK and Spain, focusing on two very different places: Warrington and Malaga.

We'll explore:

- How people live - What are homes like? What are schools like?
- What people eat - From roast dinners to paella!
- How people enjoy themselves - Festivals, fun and daily life.
- What the land is like - Rivers, beaches, weather and more.
- What each place produces - Food, farming and local goods.

By the end of the topic, we'll be able to explain what makes each place special — and decide where we'd rather live!

Key Vocabulary

Settlement - a place where people live, can be big or small.

Weather - the day to day temperate and rainfall.

Climate - the average weather over a long time.

Coastal - a place next to the sea or ocean.

Inland - a place away from the sea.

Tourist - someone who visits different countries to learn new things.
