Topaz Homework - Autumn 2

Our Topic - Is the Earth Violent

Geography Draw or make a model showing the four layers of the Earth. Label each layer and use different colours.	**Get Active** Create an obstacle course and play The Floor Is Lava. Ask an adult to take photos of your best escapes!	**Writing** Imagine experiencing an earthquake. Write a diary entry describing what happened.	**Reading** Read a book about volcanoes, earthquakes, tsunamis. Create a mini book review telling us what you learnt or enjoyed.
Science Go on an electricity hunt around your home! Find six objects that use electricity. Draw each one and label it.	**Art** Use a computer or tablet to create a poster explaining how people can stay safe during a tsunami.	**ICT** Record yourself doing a short TV news report about an earthquake, volcano or tsunami.	**Literacy** Write a story about a volcanic eruption.
Geography Explain why the River Nile was so important to the Ancient Egyptians.	**Maths** Research the heights of five famous volcanoes around the world. Write their heights in metres and order them from shortest to tallest.	**Handwriting** Copy your two favourite volcano facts in your neatest handwriting.	**Creative** Use recycled materials, clay or papier-mâché to create your own volcano. Can you label the crater, lava and magma?

What? You can choose as many tasks as you like but make sure you take photos or record any writing. If you need a book to read, paper to write on or a pencil to write with just ask!

Some tasks are more of a challenge, if you do a good job you can earn extra diddy-dots and house points!

When? You have the whole of the first half term, including the Summer holidays, to complete this. Return for marking and a reward on Monday 19th December 2026.
