

TOPAZ HOMEWORK GRID

YEAR 5

What's in the News?

Write a news report on an event that is taking place! Remember your 5W's for the introduction – can you include quotes from someone involved in the incident?	Research a current event and write a non-chronological report. Remember to use pictures and captions to engage your reader.	Imagine you're a reporter. Can you interview someone at home about an event that is taking place? You can even video it and send it in!	Imagine you work for the BBC. Write a speech about a current even that is taking place – have someone at home video you. What props can you find around your house to bring your broadcast to life?
The world is full of wacky news – research the 'Guinness Book of Records' and make a quiz about some of the weirdest things you can find! Remember to make an answer sheet!	Global warming is always in the news – can you make a poster to outline the effects and suggest ways people can make changes to help fight the global warming issue.	Can you design a new, News Logo? Think about the best colours and icons to catch the eye of your audience.	Choose a topic from the news and turn it into a fiction story! This about the plot, the characters and description!
The weather is always a big focus of the daily news. Can you record your own weather report? Or make a poster about the weather in our country. You will need to do some research first!	UFO CRASHED IN BEWSEY! There's been a UFO crash on the school field. Use your imagination to write a news report, a story, a letter to the aliens persuading them to leave – the possibilities are endless!	Who is hot in the news? Celebrities are always in the news. Choose your favourite celebrity and create a biography. Remember to include a picture!	Sports news – present or past. Imagine you're interviewing an athlete about winning a world title or training for an upcoming event. What questions might you ask? You can video and send it in!

Complete the tasks on the grid and return them to school by **Monday 19th May 2025** for your reward.
