VE Day Cake Competition

Last week I shared with you that we would be having a 'VE Day' themed cake competition as part of our celebrations on Thursday 8th May. Attenborough House are organising and judging this event. There will be house points and special prizes for our winners and 10 house points for everyone that takes part! Prizes will be awarded to the 'best looking' and 'best tasting' cake with an overall winner too. The cakes will be cut up and slices sold at the end of the school day, with all money raised going to The British Legion. We hope lots of people will get baking and join in the fun whilst supporting a very worthwhile charity.

Term Date 2025 - 2026

I just wanted to draw your attention to a change in our INSET days for 2025 - 2026. Please click on the link below to see the full term dates and INSET days for next academic year:

Mental Health Awareness Week

Mental Health Awareness Week runs from 12th - 18th May this year. We recognise the importance of mental health in our children, families and staff but unfortunately this week coincides with SATS week. As we want to participate fully in raising awareness and promoting good mental health in school, we will be having our own Mental Health Awareness Week from **19th - 23rd May**. The theme for this year is 'Community' and the importance of social connections and supportive communities for mental well-being. Miss Kearns, our Mental Health Lead, is working really hard at the moment to arrange activities for our children, families and staff. On Monday 19th May children and staff are invited to come to school wearing colours that make them happy. As well as an assembly and workshops for the children we will be inviting parents/carers into school for a drop-in on Tuesday 20th May at 2.45pm to hear about what support is available in school and the local community for your child/ren. We hope to see as many people as possible there so we can continue to work together to support our children with their mental health. Also, this month our new mental health champions; Deanna, Victoria, Lydia, Primrose and Ryan will be having training sessions with Emily, our Mental Health Support Team Practitioner. The Mental Health Champions will have a really important role in school working alongside Miss Kearns and supporting our children to ensure they are able to look after their mental health.

Enjoy the sunshine this weekend, Mrs Bailey.
