20K for Play

On Friday 10th July, Mrs Williams and Mrs Bailey will run/walk 10K at Bewsey Lodge Academy and 10K at St Elphin's CE Academy – 20K in total!

The children will also join in the fun by completing their own 5K challenge at each school.

We are raising money to improve play opportunities for all children across our schools following the announcement that government sports funding will end later this year. A donation from the money raised will also be made to Claire House Children's Hospice.

The sponsorship forms went home a few weeks ago with a detailed letter about the challenge. We have also set up a JustGiving Page. Every donation, no matter how small, will help us continue to create engaging, active and inspiring play spaces for our children.

Thank you, as always, for your continued support. Together, we can make every step count! I will leave the link below to the donation page:

Information

Only Blue Class this week receiving their extra play – exceptional Blue Class! Please note that absences due to hot weather will not be authorised. As periods of extreme heat are becoming more common, it is important that we help children build resilience and learn to manage safely in warmer temperatures. We will continue to take appropriate measures in school to keep pupils as comfortable as possible throughout the day. Remember, when in school, children learn, play, make friends, and discover new things every day. Its where big dreams begin and little steps get them closer every school day.
