## Supporting St. Rocco's

Thank you to everyone for supporting St Rocco's through our Elf & Reindeer Run and a special thank you to Oakley in Nursery for raising over £200- amazing!

## Friday night's take away...

*Every small, unselfish action nudges the world into a better path. An accumulation of small acts can change the world.*

## Where Does Chocolate Come From?

This half term Sapphire's topic has been, 'Where Does Chocolate Come From?' As part of this they have been learning all about fair trade and the importance of making sure that farmers and other workers are paid fairly and treated well. Fair trade also help protects the planet – the soil, water and animals. As part of their learning the children wrote to me to persuade me to have fair trade chocolate available to buy in school. All of the letters presented to me had a very strong case but Coby's in particular stood out. Here are some of the arguments he wrote about:

*"I feel this is important because the UK spends about £4 billion every year on chocolate. When we buy fair trade, chocolate farmers are guaranteed the world market price and can plan for the future. Furthermore, the social premium which the fair trade farmers receive pays for clean water in their houses".*

I am pleased to let you know that after careful consideration from today we will be selling some fair trade chocolate from our weekly tuck shop. Thank you to all of Sapphire for bringing this issue to our attention and for wanting to make the world a better place; you have made a difference to the lives of others.

Have a lovey weekend everyone, Mrs Bailey

*Information*

As you can see from the class list, we are now in order of highest to lowest attendance. Have a look where your child's class is. The whole school target has not been achieved due to so many classes being under 90%. Amethyst and Blue Class have consistently high attendance and fully deserve their extra play – well done. Please ensure all children are sent to school even if they feel tired or a bit under the weather. If you let us know, we will of course keep an extra eye on them. We can also administer medication upon request. Just contact the school office and the class teacher or TA will help you complete the necessary form.
