## POLITE REMINDERS

We have had several complaints from local residents in regards to parking on Lodge Lane and other nearby roads during drop off and pick up times. Please can you support us with this by being considerate of local residents, parking safely and also ensuring that your children are supervised at all times when walking to/from school or whilst on the school carpark too. Thank you for your support with this and helping to keep all of our children safe.

Can I also take this opportunity to ask for your support in reminding your children not to go on any play equipment or access any other activities that have been set up in our early years areas at the start and end of the day. We would really appreciate your support with this.

## We are the Champions!

We have had another very busy week in school, which started with a maths competition between us, St Elphin's and St Margaret's Primary Schools. If you remember, last year we came second place narrowly missing out on first place to St Elphin's. I am very proud to announce that this year we came back fighting and walked away with a very well deserved first place! Well done to all of the maths team; this was definitely your time to shine!

There were more celebrations this week with the winners of our 5 Ways to Wellbeing competition; a huge thank you to everyone who took part. Our winners were Myla in Amethyst, Keziah and Kyrah in Sapphire, Cole in Purple and Mr Riley in Ruby. Special congratulations to Myla as she was awarded the silver medal in the Schools Tumbling British Championships and has qualified for the final in May; amazing news, good luck Myla!

The sun began to shine throughout the week and Thursday was the perfect day to celebrate World Book Day. As always it was fantastic to see the children dressed up in some of the most creative costumes I have seen yet, it was also lovely to see those children who came in their comfy clothes ready to sit down and read a good book! We celebrated by starting the day with the whole school listening to a captivating story from our wonderful story teller, Helen. Throughout the day, Helen spent time with each class telling more fascinating stories that had all the children mesmerised.

Have a lovely weekend everyone, I will leave you with some photos of our week, Mrs Bailey

### Attendance; Information

There is no moving Diamond class from the top spot as they have the highest attendance again. Well done to Yellow class too who have achieved the top spot in EY and KS1. Please be aware that if your child's attendance falls below 90% it means that they are classed as a 'persistent absentee'. This 90% threshold is linked to poor academic achievement and a higher risk of poor mental health. Remember, when in school, children learn, play, make friends, and discover new things every day. It is where big dreams begin and little steps get them closer every school day.
