This is our PLACE

As you know **PLACE** is an acronym for our school values; **P**erseverance, **L**ove, **A**mbition, **C**ommunity and **E**xcellence. Each half term we focus on one of these values through worship, lessons and lots of other activities. This half term our focus is the value of **love**. Alongside other events, Malala house will be running a Creative Craft competition with the theme of **love** and to show our staff how much we **love** them, winners of a lucky draw will be getting a special treat each week. This week the children have been busy voting for their favourite school dinner and on Thursday 15th January there will be a special 'Lunch we **Love** Day' (menu on the second page). We would like as many children as possible to have a school dinner to show the kitchen staff how much we **love** their food and for the children to enjoy their favourite lunch! Every child that has a school dinner will go into a prize draw to win a special **love** themed gift.

Care Cupboard

Last term we shared with you that we now have a Care Cupboard in school containing a range of essentials such as hair bobbles, underwear and sanitary products etc. This is to support the children's wellbeing and help to ensure they are comfortable, confident and ready to learn. Hazel Tree Education very generously donated over a hundred worth of items for the cupboard and several other people have kindly donated too. We would like to say a big 'Bewsey' thank you to them for their support; it is very much appreciated.

Happy New Year!

On behalf of all of our staff and Governors I would like to wish all our friends and families a very Happy New Year! It has been lovely to see everyone back, despite the snowy start to the term. As always, we have had an incredibly busy week and what better way to start a new term than a trip to the pantomime. Year 5 & 6 children braved the winter weather and walked to the Parr Hall on Tuesday, to see a festive production of Beauty and the Beast. The trip was described by Oliver, in Gold, as 'amazing!' A special thank you to Mrs North for volunteering to help. The fun didn't stop there as our Y4 children travelled to Robinwood, in Wales on Wednesday. With an update coming from Mrs Leach, it has been clear to see that the children (and staff) have had an amazing time. Tackling the high ropes, canoeing, trying their hand at archery, swinging on the trapeze and giant swing, wall climbing and of course the piranha pool too; these are just some of the activities the children have been doing. Residential not only give children the opportunity to try out new activities but they also build children's confidence and develop their independence too. Here are a few photos that capture the week.

Have a lovely weekend everyone, keep warm, Mrs Bailey.
