20K for Play - another week to go!

The hot weather was against us but that does allow an extra week to raise a bit more money. On Friday 17th July, Mrs Williams and Mrs Bailey will once again attempt to run/walk 10K at Bewsey Lodge Academy and 10K at St Elphin's CE Academy – 20K in total!

The children will also join in the fun by completing their own 5K challenge at each school.

We are raising money to improve play opportunities for all children across our schools following the announcement that government sports funding will end later this year. A donation from the money raised will also be made to Claire House Children's Hospice.

Everyone has sponsorship forms with a detailed letter about the challenge. We have also set up a JustGiving Page. Every donation, no matter how small, will help us continue to create engaging, active and inspiring play spaces for our children. Thank you, as always, for your continued support. Together, we can make every step count! Here is the link to the donation page:

Information

Congratulations to Diamond and Yellow class who truly deserve their extra play. Super percentages! **Please note that absences due to hot weather will not be authorised.** As periods of extreme heat are becoming more common, it is important that we help children build resilience and learn to manage safely in warmer temperatures. We will continue to take appropriate measures in school to keep pupils as comfortable as possible throughout the day. Remember, when in school, children learn, play, make friends, and discover new things every day. It's where big dreams begin and little steps get them closer every school day.
