Weekly Newsletter

WE ARE LIVE!

I am so excited to announce that our new website is now live! People in school have worked incredibly hard over the past 6 months to get the content on there and we're really pleased with it. You will see that it has been refined which should result in things being easier to find. On the website you'll find the most up to date information about school including the weekly newsletters, updated class pages and key documents. You can also navigate the website to find out everything you need to know about our curriculum – what is taught and how it is delivered and assessed.

We would love for you to have a look over the weekend with your child. We are hopeful that all the links are working and that everything looks right however if you spot any glitches over the weekend we would be grateful if you could let us know via the office. The website address is:

WE NEED YOUR THOUGHTS...

As always, we are interested to hear your thoughts, as parents and carers, about our school. Your opinions matter and they help us to understand what is working well at school and where we need to develop further. If you can spare 2 minutes of your time, could you please fill out our Ofsted Parent Survey? If you have registered before it will remember your details but if it's your first time you will need to register using your email address. It really doesn't take long and will help us to know how we're doing. You can also see the results for yourself as they come in.

This is the link which I will also send via text message:

Thanks for your continued support.

Have a great weekend everyone,

Mrs E Williams

A Sad Goodbye

Today Miss Rout leaves us for pastures new. Miss Rout has been a valued member of our school family for many years. She has been particularly involved with our SEND children and Nursery class. We wish her all the best of luck!

Parents evening

Next week you will receive details on how to book your parents evening appointments. Further information will be sent via SchoolPing early next week.
