

# Bewsey Lodge Academy Weekly Newsletter

Friday 13<sup>th</sup> February 2026

## Charlar con amigos

During mental health week we have talked about the importance of connecting with others and Topaz class have done just that with a video call to their friends at Colegio Maria Auxiliadora Salesianos, Sevilla, Spain. The children asked questions in Spanish and their friends responded in English; so lots of learning for everybody!

## World Faith Day

Monday 23<sup>rd</sup> February is our World Faith Day and as next week sees the start of Ramadan for our Muslim families, we thought it would be nice to celebrate and learn about Islam and the importance of this special time in the Islamic calendar. We will be having workshops in school and learning in different ways about this religion. As we will not be in school for next week's newsletter, I would like to wish our Muslim families, 'Ramadan Kareem!'

## 'This is My Place'

As you know this week, we have celebrated Children's Mental Health week. The theme this year was; 'This is My Place' which fits perfectly with our school vision statement; 'This is Our Place'. The meaning behind both of these statements is the importance of every child feeling like they belong. We know that our sense of belonging whether it be in families, friendships, school or communities plays a vital role in our mental health and wellbeing. We started our week with a special assembly where our 'Friend of the Term' certificates and badges were awarded to some very well deserved winners. The Mental Health Champions launched a '5 Ways to Wellbeing Competition' (see their poster attached for more details). KS1 children spent a day accessing a variety of different activities linked to the 5 Ways to Wellbeing; there was dancing, drawing and crafting happening all day with the opportunity to spend time in different classes and with different teachers and children. After school on Tuesday was our 'The Magic Inside Me' workshop where children made affirmation mirrors, learnt calming activities and set goals for the year ahead. Our Reception and Y6 buddies have spent time making gifts for each other; delicious butterfly cakes, book marks and Valentine's Day hearts – all in all a perfect way to end a busy half term. I would like to wish everyone a happy half term break and we look forward to seeing everyone back safely on Monday 23<sup>rd</sup> February. Take care everyone, Mrs Bailey.

Attendance;  
*Information*

Top of the league this week is Silver Class with a perfect 100% and for Key Stage 2, Diamond Class with 99% – pretty impressive. Remember, school is a place to learn, play, make friends, and discover new things every day. It's where big dreams begin and little steps turn into exciting adventures. Please ensure all children are sent to school even if they feel tired or a bit under the weather. If you let us know, we will of course keep an extra eye on them. We can also administer medication upon request. Just contact the school office and the class teacher or TA will help you complete the necessary form.
