Bewsey Lodge Academy Weekly Newsletter Friday 13th March 2026

THANK YOU VERY MUCH!

All of the children and staff in Year 6 have been overwhelmed by the support they have had to raise money towards their leaver's hoodies. They would like to say a huge thanks to everyone who came and bought or donated cakes or took part in the raffle; they have raised over £200!

Friday night's take away...

Helping the Community

Last term, I wrote to let you know about the Care Cupboard that Mrs Leach has kindly set up in school to support our children's wellbeing and help to ensure they are comfortable, confident and ready to learn each day. Our cupboard contains a range of essentials such as hair bobbles, socks, underwear and sanitary products etc. We have already had lots of generous donations to help keep our supplies topped up and last week we received more donations from Good Neighbours WA5; school uniform, hair bobbles, hats, rucksacks and water bottles. We would like to say a huge thank you to them for supporting our school.

Good Neighbours WA5 can help our community with food and support. For full details of how you can access this service or how you can donate to it, please click on the link below:

Football Champions

I would also like to share with you that some of our Y5 and 6's braved the wind and rain yesterday afternoon to take part in a football tournament with St Barnabas and Sankey Valley St James' here at Bewsey Lodge. Despite the tough conditions and strong competition, Bewsey Lodge finished the tournament in first place! Congratulations to everyone who took part and a big thank you to Mr Riley for organising this event, our other Mr Riley for supporting and to all of our parents who cheered the children on.

Have a lovely weekend everyone, Mrs Bailey.

Information

Another great week from Amethyst Class who have finally knocked Diamond off the top spot. Close behind are Topaz and Emerald who have also achieved above the expected 96%. Yellow class, you too have done it again having achieved the top spot in EY and KS1. Please be aware that if your child's attendance falls below 90% it means that they are a 'persistent absentee'. This 90% threshold is linked to poor academic achievement and a higher risk of poor mental health. Remember, when in school, children learn, play, make friends, and discover new things every day. Its where big dreams begin and little steps get them closer every school day.
