

In the coming months, we will be inviting the parents of reception children (September 2024 cohort) to come in and look around our lovely school. If you know anyone who is thinking about sending their child to our school, please let them know about these events. Reception teachers will be on hand to speak to parents and answer any questions.

Website re-design

As some of you may have noticed our website is not up to date. Although we have all of the statutory documentation required on there, class pages and much of the other content is not up to date. We were hoping to have our new website launched this half term but some technical glitches have caused a bit of a delay.

We are excited to say that we will be able to make our new site live in the first week back after the October half term so I will share the new address and features in that first newsletter. It's looking great and will hopefully be much easier to navigate and use.

Our apologies go out to anyone who has been on the website to access class or school information but have been unable to do so, many of the issues experienced have been out of our control.

WE NEED YOUR THOUGHTS...

As always, we are interested to hear your thoughts, as parents and carers, about our school. Your opinions matter and they help us to understand what is working well at school and where we need to develop further. If you can spare 2 minutes of your time, could you please fill out our Ofsted Parent Survey? If you have registered before it will remember your details but if it's your first time you will need to register using your email address. It really doesn't take long and will help us to know how we're doing. You can also see the results for yourself as they come in.

This is the link which I will also send via text message:

Thanks for your continued support.
