# Bewsey Lodge Academy Weekly Newsletter Friday 15th May 2026

## Well done Year 6

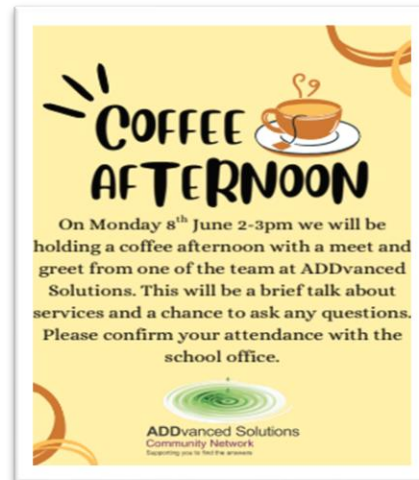

Well done to all of our Year 6 for their fantastic effort and determination during SATs week. They approached each day with resilience, maturity, and a positive attitude, and we are incredibly proud of the hard work they have shown. Their commitment and perseverance throughout the week has been outstanding. Whilst the children will still be working hard until the end of the year, they have also got some fun activities coming up too. Today they have celebrated the end of SATS week with their friends at St Elphin's with ice-cream and fun and games. They also have a trip to Gulliver's World to look forward to along with our usual special assemblies. Watch this space for more details of these events.

## Health and safety reminder

We kindly ask that children do not come to school wearing false nails of any variety. These can become uncomfortable or unsafe during lessons, PE, playtimes, and practical activities, and they may also distract from learning. In some cases, they can accidentally scratch or injure the wearer or other children. Thank you for your support in helping us maintain a safe learning environment for everyone.

## ADDvanced Solutions Coffee Afternoon

We would like to invite parents and carers to join us for our ADDvanced Solutions Coffee Afternoon on Monday 8<sup>th</sup> June from 2pm-3pm. ADDvanced Solutions is an open-access service that supports the emotional health and wellbeing of neurodivergent children and young people, as well as their families and the professionals who work with them. Our coffee afternoon will be a great opportunity to meet other parents and carers, share experiences, access helpful advice and support and learn more about the services available. This includes a range of structured online learning workshops for parents and carers, covering topics such as sensory processing difficulties, supporting sleep, barriers to school attendance, mental health and wellbeing and the SEND process and EHCPs. We look forward to seeing you there.

Have a lovely weekend everyone, Mrs Bailey

Perseverance – Love – Ambition – Community – Excellence

# Headteacher's Awards

Oliver - Nursery  
 Oliver - Silver  
 Hadi - Red  
 Jeevan - Orange  
 Well done everyone!

Purple	91.45%
Sapphire	90.76%
Silver	90.63%
Yellow	88.19%
<b>Total</b>	<b>94.2%</b>

Attendance;  
 Information

It's Amethyst and Blue Class at the top of the league this week. Well done to both classes. **Legal Duty:** Parents have a legal responsibility to ensure their child attends school regularly; failing to do so can lead to fines or prosecution. **Daily attendance:** is crucial for academic achievement, social development, and mental health, while missing days can cause children to fall behind. **Exceptions:** Absences are only permitted in specific circumstances, such as illness, or if advance permission is granted by the school for exceptional circumstances, such as religious events. **Persistent Absence:** An attendance rate of 90% or below is considered persistent absence, which can make it hard for children to form and maintain relationships with peers. Remember, when in school, children learn, play, make friends, and discover new things every day. It's where big dreams begin and little steps get them closer every school day.

Please click on the link below for all the latest information on attendance from the Local Authority:
