Thank a teacher day!

Wednesday was 'Thank a Teacher Day'. We celebrated in school by bringing our teachers to the front in worship and giving them a big clap and a bar of chocolate. We also asked families to send in any messages of thanks; we received lots of messages all of which will be shared with staff in a special book in school. Thank you to all of our lovely teachers for everything they do every day. A special thank you to all of our families who took the time to send in messages of thanks; it meant such a lot to everyone.

20K for Play!

Trainers at the ready everybody! As many of you know, we are passionate about ensuring our children have the very best opportunities to learn, play and thrive, that is we are so excited to launch 20K for Play! On Friday 10th July, Mrs Williams and I will run/walk 10K at Bewsey Lodge Academy and 10K at St Elphin's CE Academy – 20K in total! The children will also join in the fun by completing their own 5K challenge at each school.

We are raising money to improve play opportunities for all children across our schools following the announcement that government sports funding will end later this year. A donation from the money raised will also be made to Claire House Children's Hospice.

Your sponsorship forms should come home today along with a detailed letter about the challenge. We have also set up a JustGiving Page which is live. Every donation, no matter how small, will help us continue to create engaging, active and inspiring play spaces for our children.

Thank you, as always, for your continued support. Together, we can make every step count!

Have a lovely weekend in the sunshine, Mrs Bailey and Mrs Williams

Attendance; Information

It's Red and Opal Class at the top of the league for the first week of term. Well done to both classes. **Legal Duty:** Parents have a legal responsibility to ensure their child attends school regularly; failing to do so can lead to fines or prosecution. **Daily attendance:** is crucial for academic achievement, social development, and mental health, while missing days can cause children to fall behind. **Exceptions:** Absences are only permitted in specific circumstances, such as illness, or if advance permission is granted by the school for exceptional circumstances, such as religious events. **Persistent Absence:** An attendance rate of 90% or below is considered persistent absence, which can make it hard for children to form and maintain relationships with peers. Remember, when in school, children learn, play, make friends, and discover new things every day. Its where big dreams begin and little steps get them closer every school day.
