## FLUFFY NEW FRIENDS

### HAPPY EID

We would like to wish all our families celebrating a very happy Eid! 🌙🌟  
May this special time be filled with joy, peace, and togetherness. Eid Mubarak from everyone at Bewsey Lodge.

### Easter Animal-Eggs!

This week we have had some very unusual eggs land at school and they are just busting to hatch! Inside each egg is a little, furry animal that is waiting to be adopted and taken home. There are 13 to collect including: a donkey, a bunny, a giant rabbit, a bear, sheep and cow plus many more...

Each egg is £2 or for £5 you can take 3 (cash only please) All of the money raised will go into our children's school fund to help us pay for in-school events/treats for the children. Please join in if you can – on sale next week!

## Meet Our Egg-citing New Classmates

Red and Orange Class have had some very special new additions this week - quite literally! On Tuesday morning, each class received five rare breed duck eggs. The first ducklings began to hatch on Wednesday before the children even arrived at school, which was very exciting news to share. So far, four fluffy ducklings have hatched in each class! The children have loved watching the ducklings arrive and learning about their early lives. At the end of next week, the ducklings will be heading back to the farm where they will live. I was lucky enough to join Gold class for a visit to see the ducklings yesterday. Read more about our fluffy friends by clicking on this link; <https://www.incredibleeggs.co.uk/about-us/>

## So Proud of Our Children

This week has been assessment week in school and we are all incredibly proud of how the children have risen to this challenge. They have worked hard, shown great resilience, and demonstrated fantastic perseverance, approaching every challenge with positive attitudes and determination. We are so pleased with the effort they have all put in; we could not ask for anymore. Well done to everyone, I hope you have a relaxing weekend, you have all earned it!

*Information*

Another great week for **Amethyst Class** with **98.6%**. Even better is **Blue Class** for EY and KS1 with a whopping **98.9%**. Close behind are Silver, Topaz and Diamond who have also achieved above 98%. Please be aware that if you child's attendance falls below 90% it means that they are a 'persistent absentee'. This 90% threshold is linked to poor academic achievement and a higher risk of poor mental health. Remember, when in school, children learn, play, make friends, and discover new things every day. Its where big dreams begin and little steps get them closer every school day.
