## Team Work!

This year we have been working hard to further develop our links with other local schools, giving our children the opportunity to make new friends, and have new experiences all whilst learning from each other. With Mrs Williams at St Elphin's Primary School, the Year 6 children at both schools have become pen pals, writing at various points throughout the year, with a plan to meet face to face in the summer term. In the autumn term our School Council attended a Children's Parliament event where they worked with children from other local primary schools to make pledges to improve their school's environment and sustainability. Next week, Miss Muia is hosting a maths competition with local schools on World Maths Day, which will put everyone's maths skills to the test! This week some of our KS2 children took part in a football tournament at St Helen's Primary School. Our team did exceptionally well, coming 3<sup>rd</sup> overall! This was fantastic news to bring back to school but what made us really proud of them was the great sportsmanship, behaviour and positive attitude they showed during their time there. They were a great example of what team work should look like!

We need  
**YOU!**

Our ballot for the election of a new parent governor to join our Governing Body is still open. This is an exciting opportunity for a parent/carer to be fully involved in school life and to support us in ensuring the best outcomes for all of our children.

Our Governing Body is a really friendly and supportive group and would welcome any new member.

If anyone is interested or would like further information about this role, please speak to the school office.

Have a lovely weekend everyone, whatever you are doing.

Mrs Bailey
