Getting Out and About!

The Great Treasure Swap; the results

Thank you to everyone who took part in The Great Treasure Swap organised by Rosa and Elton House Captains. We were overwhelmed with the amount of 'treasure' returned and raised just over £600 - well done everyone!! We are looking into ways to improve our lunchtime play so any money raised will go towards this.

Class with the most treasure bags returned: **Orange**

Class that raised the most money: **Opal**

House that raised the most money: **Attenborough**

Outstanding contribution to fundraising award: **Conghaile in Opal**

A big thank you to Miss Muia, the maths champions and some of our Y6s for counting all the money.

This week our Art Champions, alongside some of our other talented artists from KS2, spent the morning at St Elphin's Primary School taking part in a ceramic workshop. Getting into the festive spirit the children created their own snowman trinket dish. We can't wait to see them when they have been fired and glazed. There was also time for a quick play with their new friends before getting the coach back to school. We are all really enjoying working more with local schools and forming new friendships, especially at St Elphin's. Making connections, new friends and talking are linked to good mental health and it also helps with the transition to high school (and of course it is always nice to see Mrs Williams and Leila when we do visit St Elphin's!)

Have a lovely weekend everyone, Mrs Bailey
