Weekly Newsletter

Friday 22nd September 2023

In the coming months, we will be inviting the parents of reception children (September 2024 cohort) to come in and look around our lovely school. If you know anyone who is thinking about sending their child to our school, please let them know about these events. Reception teachers will be on hand to speak to parents and answer any questions.

Welcome Into School

In a few weeks' time we will be offering our first Parents' Evening of the year. We usually run 3 Parents' Evenings over the year and they are a mix of invites into school and video calls. Coming into school means you get the chance to speak to the teacher in person; the video call is also with the teacher but gives you the flexibility of being able to make the call from anywhere with an easy link. All appointments are the same length and children's books will be sent home at the end of each term for you to keep so it's really down to personal choice whether you go for a video call or you prefer to come into school.

Our Parents' evenings this year for years 1-6 are:
Wednesday 22nd November - In-school appointments.
Thursday 23rd November - Hybrid (video call appointments)

To allow as much time as possible for appointments, school will close at 3.15pm on Thursday 23rd November. Nearer the time you will receive a letter with a link to the booking site - this booking system applies to both hybrid and in-person meetings.

For our Reception classes, letters will be sent to invite you to the hybrid session only but, later in the half term, you will receive an invite to an open event where you will have the chance to speak to teachers and look at children's work.

Look out for the letters in early November.
Have a great weekend, Mrs E Williams.
