

Bewsey Lodge Academy Weekly Newsletter

Friday 27th February 2026

I can't believe that we are thinking about our Year 6 children leaving us for high school already but the end of their time at Bewsey Lodge is getting closer and closer. The children are excited to be able to get their leavers hoodies but they need your help to raise money for them. They are going to be holding a cake sale, after school, on Tuesday 10th March (and possibly Wednesday 11th too if we get enough cakes!) On Monday 9th March there will be an own clothes day for a cake donation. Please support this event if you can so our Y6 children can take away a hoodie as a memory from their time at Bewsey Lodge.

Friday night's take away...

Forgiveness says you are given another chance to make a new beginning.

Spread the Word!

It has been lovely to see everyone back at school this week, well rested after the holiday. As always we have a very busy half term ahead with lots of visitors, trips and activities happening throughout the school. Yesterday I had the opportunity to attend a School Parliament meeting with our House Captains and Mrs Jones at St Margaret's Primary School. Here, we worked alongside children from other local primary schools with a shared vision; **to love and take care of our planet so it stays healthy, green, and happy for a long time**. The focus yesterday was on litter in and around our school grounds. In groups we shared what we had noticed about this problem and what actions we thought we needed to take. Brooke, our Malala House Captain, thought of the slogan, 'Spread the Word!'. This followed discussions about the importance of teaching everyone why we need to pick up our litter. The children came away full of ideas to 'spread the word' starting with leading an assembly. They will also be having a meeting with Ivan to check we have enough bins in and around school so we can dispose of our litter and recycle at the same time. They all agreed that, as always, they would continue to be good role models to others too. I am sure we will hear more from our House Captains about this project soon.

This is our PLACE

As you know **PLACE** is an acronym for our school values; **P**erseverance, **L**ove, **A**mbition, **C**ommunity and **E**xcellence. This half term we continue to learn about the value of love but with a focus on the importance of **forgiveness** through our worships, lessons and other activities.

Have a lovely weekend everyone, Mrs Bailey

Yellow	87.15%
Green	86.36%
Ruby	82.5%
Total	92.12%

Expected - 96% **Green - 96% and above**

Amber - 92-96% **Red - below 92%**

Attendance; Information

Top of the league this week is Diamond Class again as they had the best overall attendance last term. Please be aware that if you child's attendance falls below 90% it means that they are a 'persistent absentee'. This 90% threshold is linked to poor academic achievement and a higher risk of poor mental health. Remember, when in school, children learn, play, make friends, and discover new things every day. Its where big dreams begin and little steps get them closer every school day.
