Bewsey Lodge Academy Weekly Newsletter Friday 26th June 2026

Keeping Cool in School!

Thank you for your support this week during the exceptionally hot weather. We know the constant updates and "pings" from school may have seemed endless at times, but as guidance and advice continued to be updated, our priority has remained the same: keeping every child as safe, comfortable and cool as possible throughout the school day. We are incredibly grateful for your understanding, quick responses and support with sending children in with water bottles, sun hats and appropriate clothing. It has been wonderful to see the children adapting so positively. From Monday we will be going back to normal summer uniform. The photo below shows the creative way Jenson kept cool this week! Thank you, as always, for working in partnership with us to ensure the children have had a safe and enjoyable week.

New Beginnings

I know children and families are keen to find out which class, teacher and teaching assistant their child will have next year. We are currently finalising arrangements and hope to share this information with you very shortly.

As is often the case as we approach the end of an academic year, we also say goodbye to some valued members of our staff team. This year we will be saying farewell to Mr Geaney and Miss Tomlin and although Mrs Lawton hasn't been with us this year she will also officially leave at the end of the year too. They have all made a significant contribution to school life during their time with us and have become much-loved members of the Bewsey team. We thank them for all they have done for our children and families and wish them every success and happiness for the future.

A special mention must go to Miss Paget, who I am very sad to say will be leaving Bewsey Lodge in July. Having been part of the school community for almost 6 years, Miss Paget has made an outstanding contribution to the lives of countless children and families. For me, she represents everything we could hope for in a teacher – caring, dedicated, hardworking and always putting children at the heart of everything she does. Her commitment, professionalism and warmth have had a lasting impact on our school, and she will be a huge loss to the Bewsey family. While we are incredibly sad to say goodbye, we are also excited for Miss Paget as she embarks on a new career outside of teaching. We know she will bring the same passion, enthusiasm and commitment to whatever she does next. On behalf of everyone at Bewsey, I would like to thank her for everything and wish her every success and happiness in the future.

Have a lovely weekend in the sunshine; keep cool, Mrs Bailey

Sapphire	90%
Purple	89.47%
Orange	88.13%
Gold	87.86%
Topaz	82.9%
Total	92.5%

Attendance;
Information

It's **Red** (second week running!) and **Diamond** Class at the top of the league for last week. Well done to both classes. **Legal Duty:** Parents have a legal responsibility to ensure their child attends school regularly; failing to do so can lead to fines or prosecution. **Daily attendance:** is crucial for academic achievement, social development, and mental health, while missing days can cause children to fall behind. **Exceptions:** Absences are only permitted in specific circumstances, such as illness, or if advance permission is granted by the school for exceptional circumstances, such as religious events. **Persistent Absence:** An attendance rate of 90% or below is considered persistent absence, which can make it hard for children to form and maintain relationships with peers. Remember, when in school, children learn, play, make friends, and discover new things every day. Its where big dreams begin and little steps get them closer every school day.
