## Parliament Week

This week we have been celebrating Parliament Week, where the children have been learning about how our parliament works, how our country is a democracy and what happens in the House of Commons. We had a visit from our MP, Sarah Hall who came to speak to the children about her job as an MP and what life is like in the Houses of Parliament. The children were able to ask her many questions which ranged from tackling the cost of living issues to who Sarah's inspiration was for becoming an MP. The children showed a real interest and as always were amazing and an absolute credit to our school with their thought provoking questions and views.

Later on in the week, some of our Year 6 children had the opportunity to go to St Elphin's church, with Mrs Williams and some of their new friends from St Elphin's Primary School. This special service marked the start of advent. Some of our regular church goers took communion, whilst some received a blessing. Have a lovely weekend everyone, Mrs Bailey.
