Maintaining High Standards

PE Kit Reminder

A quick reminder for parents and carers about our expectations for PE kit. Although we have our branded school PE kit available to purchase, this is not compulsory. Children may instead wear plain, dark-coloured bottoms (shorts, leggings or jogging bottoms) with a plain white T-shirt.

Please note that heavily branded clothing, football kits and other sports kits are not permitted as PE kit. If a child comes to school wearing clothing that does not meet these expectations, parents/carers will receive a phone call and will be asked to bring an alternative PE kit into school. Children should also only come to school wearing their PE kit on their designated PE days. On all other days, normal school uniform should be worn.

The only exception to this is for children taking part in a CLASP 'Sport' session, who may be asked to attend in appropriate sports clothing. Thank you for helping us maintain a smart and consistent approach across school.

Our School Development Priorities 2026–2027

This week, we are sharing our Parent Summary of School Development Priorities, which explains the key areas we are working on this year and, most importantly, what these will mean for your child.

Our priorities include developing confident, successful writers, strengthening the foundations of reading and maths, improving times-table fluency, and extending our exciting CLASP programme into Key Stage 1. We are also continuing our focus on ensuring disadvantaged pupils achieve their very best and transforming lunchtimes through OPAL, giving children greater choice, creativity and independence in their play.

Alongside this, we are focusing on attendance, punctuality and positive behaviour, staff wellbeing and strengthening the role of our governors in school improvement. The summary gives parents a clear, easy-to-read overview of what we are doing, how we will do it and the difference we hope it will make. Ultimately, every priority has one goal: making things better for our children and ensuring Bewsey Lodge Academy continues to be the very best PLACE to learn and grow. Have a lovely weekend everyone, Mrs E Williams

PARENT GOVERNOR RECRUITMENT

Make a difference at our school!

We are looking for a parent to join our Governing Body.
This is a great opportunity to play an important role
in the future of our school.

One Vacancy
We are recruiting one parent governor for a four year period. This is a voluntary, unpaid role.

Help Shape Our School
Work with the school to support the best outcomes for all our children.

Who Can Apply?
You must be the parent of a registered pupil at Bewsey Lodge Academy and be nominated by a proposer and seconder (who may be your partner). Self-nomination is not permitted.

Key Date
Nominations must be returned to school (in an envelope) by:
Mid-day Wednesday 14 October 2026

If you are interested in being a school Governor, please contact the office or check your Ping account for the simple, 1-side nomination form.
